Congratulations on receiving the 2023 President's Education Award!

Jill and I are honored to join your family, friends, and teachers in recognizing this wonderful achievement. Over the past year, you worked hard, learned so much, and faced challenges head-on. You stayed curious and fearless, and you persevered. I am proud of you, and I hope you are too.

I truly believe that you are a part of a remarkable generation—one that is more gifted, talented, and tolerant than any before. That's why I know the future of our Nation is bright: Young people like you will be leading it.

Keep studying, believe in yourself, and know that there is no limit to what you can do. You can make a difference, lift our country up, and change the world. I look forward to all that you will accomplish.
